A QUARTERLY UPDATE ON THE LATEST HAPPENINGS AT MUTHOOT GROUP

VOL XVIII / ISSUE #3/SEPT 15

Chairman's Message

**Incredible
Achievement,
Indelible
Mark!**

The corporate world is known for ongoing challenges and constant changes. Here, the important task for a leader is to have clear foresight and take bold steps towards building a strong, undefeated presence.

That is exactly what Muthoot Finance has been doing over the decades. We have persisted in our pursuit of excellence, regardless of the hurdles that we have had to cross. We have continually battled on the corporate turf, addressing every weakness and have taken on the mantle of being 'the best'. Living by our beliefs, principles and non-negotiable values, we have strengthened our determination to make an indelible mark in the corporate horizon.

Muthoot Finance Ltd. registered an increase in net profit of 11% at Rs.183crores for the quarter ended June 2015 as against Rs.165crores in the preceding quarter. Retail loans registered an increase of 4% amounting to Rs.1001 crores. I am happy to share with you that the Company has shown good growth in its loan portfolio in the last four quarters. Despite challenges of modest growth in the economy, we have been able to do well in the quarter with a growth of Rs. 1001 crores. The Company continues to maintain a higher standard asset provisioning of 0.50% against regulatory requirement of 0.25% as a prudent provisioning policy.

In this quarter, the Company introduced the facility of online payment of interest on gold loan, which was welcomed by the market, and the number of customers using this facility is continuously on the increase. Also, Gold Loan business in the subsidiary company in Sri Lanka has been activated and offers a promising growth potential.

As a part of fulfilling our commitment towards 'customer service', we have introduced the facility of 'Missed Call', which helps a customer know the status of his/her Gold Loan. Simply by giving a missed call from the registered mobile to an exclusive mobile number one can know the loan outstanding and interest due in the Gold Loan account. This is a significant 'convenience factor' that we are providing to our 6.5 million Gold Loan customers. Indeed, it will facilitate online payment of the exact amount without having to visit the branch for knowing the dues. We are sure that our customers will benefit immensely from this innovative facility.

I am also pleased to announce that in this quarter we forayed into Srinagar, Jammu & Kashmir even though we have been in other parts of the State for a long time. We inaugurated two of our branches in Srinagar in Lal Chowk and Rajbagh areas. The opening of these new branches at Srinagar is in consonance with the dynamic policy of the Group to reach out to the farthest places to enable Financial Inclusion.

I am also pleased to share that we have completely revamped our corporate website which is now live at www.muthootfinance.com In addition to Muthoot Webpay - the online interest payment option and other user-friendly features, the website also showcases a dynamic branch locator that increases the ease of finding the nearest Muthoot Finance branch.

It is most heartening for me to inform about the successful inauguration of the new Paul Muthoot George Block (PMG Block) at our MGM Muthoot Medical Centre at Kozhencherry by the hands Shri. Oommen Chandy, Hon'ble Chief Minister of Kerala and a galaxy of other distinguished dignitaries. The PMG Block has a Trauma Centre, Surgical OPDs, Emergency Lab and host of other ultra-modern healthcare facilities. The function also included the NABH Accreditation awarding ceremony. My compliments to the entire Muthoot Healthcare team for these commendable achievements.

All this only makes my heart fill with gratitude for all the Blessings that the Lord has showered on us.

I look forward to several new milestones ahead.

M.G. George Muthoot
Chairman - The Muthoot Group
