About Muthoot Group

Founded in 1887, The Muthoot Group started as a small trading business in Kozhencherry, a remote village in Kerala. Over the years, The Muthoot Group* has diversified its presence across financial services, plantations & estates, education, leisure & hospitality, healthcare, housing & infrastructure, infotech, wealth management, money transfer, forex, media, power generation, precious metals, securities, vehicle & asset finance and travel services, among others. Also, the Group has expanded its reach and broadened its scope through these years.

About Muthoot Finance Limited

Muthoot Finance Limited is the flagship Company of The Muthoot Group. Headquartered in the South Indian state of Kerala, India, we have emerged as India's largest gold financing company in terms of loan portfolio. We have been in this business for over 79 years. Classified as a 'Systemically Important Non-deposit taking NBFC' as per the Reserve Bank of India regulations, we are listed on the country's premier stock exchanges, namely BSE and NSE. We also offer home loans and insurance through our subsidiaries.

*(refers to entities promoted by Shri M.G. George Muthoot, Shri George Thomas Muthoot, Shri George Jacob Muthoot and Shri George Alexander Muthoot, operating under the brand name "The Muthoot Group")

OUR GUIDING INSPIRATION.

Our founder, Shri M. George Muthoot, envisioned the prospects of gold loan in India long back in 1939. His business insight and vision helped transform India's gold loan business. Guided by his values, we have strengthened our reputation over the years and established ourselves as a trusted pan-India brand.

UNCHANGING VALUES... ...IN CHANGING TIMES

“Let us not judge ourselves by the profit we make but by the trust and the confidence that people have in us. Let us cherish and nurture that trust and ensure that every person who deals with us, deals with the confidence that he will not be misguided but his interests will be carefully protected.”

Late Shri M. George Muthoot

SETTING A HIGH STANDARD OF BRAND EXCELLENCE

BRAND MUTHOOT STANDS FOR TRUST AND COMMITMENT, NURTURED FOR DECADES ON END, SUPPORTING THE ASPIRATIONS OF MILLIONS OF PEOPLE ACROSS GENERATIONS. WHILE DEEPLY ROOTED IN OUR ETHOS, WE CONTINUE TO MOVE AHEAD WITH CHANGING TIMES AND STRENGTHEN THE REPUTATION AND RECALL OF OUR BRAND.

As part of our broad strategy to strengthen our brand, we associated during the year with Shri Amitabh Bachchan and Chennai Super Kings (CSK), one of the renowned Indian Premier League (IPL) cricket teams. We are confident that our association with such prominent people and brands will help us gain more trust and deepen our customer relationships.

The Muthoot Group has been associated with several other sports such as football (through Indian Super League) and Kabaddi (through Pro-Kabaddi League,) and has also partnered IPL in previous seasons (with Delhi Daredevils for four years). These collaborations have facilitated better customer connect.

I AM PROUD TO BE ASSOCIATED WITH THE MUTHOOT GROUP WHICH IS KNOWN FOR ITS UNCOMPROMISING VALUES AND TRUST EARNED OVER 131 YEARS OF EXCELLENCE IN BUSINESS. OVER THESE YEARS, THE MUTHOOT GROUP HAS BROUGHT JOY TO THE LIVES OF MILLIONS OF INDIANS AND HAS HELPED THEM PROSPER IN LIFE THROUGH THEIR DIVERSE FINANCIAL PRODUCTS AND SERVICES. I LOOK FORWARD TO THIS ASSOCIATION AND WISH EVERYONE ASSOCIATED WITH THE MUTHOOT GROUP THE VERY BEST IN THEIR LIVES!

- SHRI AMITABH BACHCHAN

THE SHAHENS SHAH OF BOLLYWOOD IS OUR BRAND AMBASSADOR

The Muthoot Group signed Padma Vibhushan Shri Amitabh Bachchan as its brand ambassador to represent it in its national campaigns.

Shri Bachchan was chosen as he inspires trust and confidence across generations, much like The Muthoot Group. The diverse roles that he has enacted across his illustrious career also resonates with our wide business activities.

Launched 'Taking India Forward' campaign

As a 'one source – multi-resource' financial services conglomerate, The Muthoot Group is 'Taking India Forward' through notable contributions made to all sections of society by its various businesses.

The Group's new communication, titled 'Taking India Forward', was designed to break the messaging clutter on different above-the-line (ATL) media by using the legendary superstar as the Group's brand ambassador.

The communication portrays Shri Bachchan in a never-seen-before double role, probably for the first time in the history of advertising and brand communication. The debate of the conscious and sub-conscious mind about what is more important – experience or actions – is borrowed from the television commercial (TVC) to be adapted to the print ad as well. The print ad also contains a QR code, which takes readers to the TVC to create better viewer connect.

In the TVC, Shri Bachchan extols the virtues of The Muthoot Group, its legacy of 131 years, diversified businesses and 4500+ pan-India branches. The print ad celebrates the legacy of a trusted financial services brand, supporting the ambitions of millions of unbanked Indians.

It is heartening to see that the TVC has already crossed 1.5 Million YouTube views, following the month of its launch.

The campaign has also been rated among the Top 10 YouTube ads, in terms of views, by The Economic Times Brand Equity dated March 21, 2018.

Launched the gold loan campaign

We launched our first gold loan campaign with Shri Bachchan articulating the central message, "Muthoot Finance se Gold Loan lijiye, aur Life Mein #AageyBadhiye!".

Association with Chennai Super Kings (CSK)

The Muthoot Group is associated as the principal team partner of CSK, which is led by the legendary former Indian Captain, Padma Bhushan Shri Mahendra Singh Dhoni, for IPL 2018. We have a three-year agreement with CSK and as a part of this alliance, all CSK players' jerseys will carry The Muthoot Group's logo in the front.

Cricket is the most popular and watched sport in India. With IPL completing 10 years, its popularity has grown significantly. Our IPL association has proved to be a prudent outreach initiative for the Group. We believe this association will help us engage with cricket fans across the country irrespective of which team they support.

The Muthoot Group brought together its brand ambassadors, Shri Amitabh Bachchan and CSK, in a high-energy and action-packed music video that captures the exhilaration of IPL, set to the widely popular The Muthoot Finance song.

Further, we indulged in several below the line activities like auto branding, human banners, van branding, auto munadi activities to reach the target audience. Merchandise like key chains, branded mugs, cricket gear signed by players, caps, hand fans, umbrellas and cheering materials for supporters in the cricket stadium were also developed. The Chinnaswamy Stadium, Chennai, was all decked up with Muthoot CSK branding for its first IPL match after a gap of two years.

POWER of 7

We launched our magnum opus communication for the IPL, a music video titled 'Life Main Aagey Badhiye', during the year. The Muthoot Group's song-dance-music video aims to deliver its brand's message of transforming lives by moving ahead in life. The music video presents a rare coming together of 7 top award-winning personalities:

1

Featuring The Muthoot Group's brand ambassador and Padma Vibhushan Shri Amitabh Bachchan.

2

Bringing together Chennai Super Kings' skipper and one of India's most successful cricket team captains, Padma Bhushan Mahendra Singh Dhoni, along with other key CSK players.

3

Weaving in the music video beautifully is the National Award-winning director, Shri Pradeep Sarkar of Apocalypso Films.

4

Crafting lyrics of the Hindi version was two-time National Award-winning lyricist, Shri Swanand Kirkire.

5

Creating the Tamil lyrics poetically was renowned Tamil lyricist Shri Vairamuthu Ramasamy, recipient of Padma Shri and Padma Bhushan, besides being a seven-time National Award winner Tamil lyricist Shri Vairamuthu Ramasamy, recipient of Padma Shri and Padma Bhushan, and a seven-time National Award winner.

6

Lending his voice to both the Tamil and Hindi songs was renowned playback singer and four-time National Award winner, Shri Shankar Mahadevan.

7

Dubbing the Tamil edit was award-winning playback singer and noted dubbing artist, Shri Sudesh Bhonsle.

Association with Jaipur Pink Panthers

At Muthoot Finance Limited, we specially focus on promoting Kabaddi, as we have about 70% of our branches in the rural and semi-urban areas of the country. We partnered the Jaipur Pink Panthers team of the Pro Kabaddi League as its associate sponsor for the League's Season 5, which began on July 28, 2017.

Owned by the renowned Bollywood film star, Abhishek Bachchan, Jaipur Pink Panthers was the winner of the Season 1 of the Pro Kabaddi League and runners-up in the last season in 2016.

We are certain that this association will further help us realise our aim of supporting aspirations of rural India, while promoting a spirit of sportsmanship and fair play.

Driven by the Legacy of Trust and Commitment

DELIVERING FINANCIAL INCLUSION DIGITALLY

WE ARE TAKING LONG AND CONFIDENT STRIDES TOWARDS EMBRACING DIGITAL TECHNOLOGIES TO OFFER SECURE AND INNOVATIVE SOLUTIONS TO OUR CUSTOMERS RAPIDLY. WE ARE ADOPTING WEB AND ANDROID-BASED APPLICATIONS TO AUTOMATE VARIOUS PROCESSES IN OUR BUSINESS OPERATIONS. THIS FACILITATES BETTER CUSTOMER OUTREACH AND ENGAGEMENT, AND HELPS DRIVE THE NATION'S AGENDA OF FINANCIAL INCLUSION.

Muthoot online gold loan

Muthoot Online Gold Loan offers easy online transactions for our customers who often find it difficult during their busy schedules to call at our branch. The portal provides facilities to make periodic interest/principal repayments, withdraw available loan amount (top-up) and renew eligible loans. Customers can now complete all transactions using debit card/net banking anytime, anywhere. We have partnered with leading banks and online payment gateway service providers to facilitate this service.

Mobile app

The in-house mobile app development team has created the iMuthoot app with various features, both in Android and iOS, for B2C and B2E enterprise mobility platforms and internal process automations.

API integration

API integration has been enabled in the Core Banking Solution (CBS) for international and domestic money transfers, health insurance, vehicle insurance and traditional insurance products for smooth operations.

Direct credit facility

To allow instant credit to the customers' bank account, we have enabled NEFT/RTGS/IMPS mode of inter/intrabank transfers. It allows loan proceeds to be credited directly to the bank account and results in less cash handling at the branches.

e-KYC

We enabled e-KYC for customer onboarding through the CRM solution and we conduct biometric KYC verification that involves no documents. We also introduced the e-sign facility in October 2017 to promote convenient and paperless transactions. Currently, more than 80% of new KYCs are being done through e-KYC.

Gold Cash Card (GCC) – DCB VISA

To provide customer convenience, our Gold Loan NBFC started the GCC service wherein gold loan amount is loaded in the card for customers' use in ATMs, as well as for online and offline shopping. These cards are accepted at all VISA-enabled point-of-sale (PoS) terminals and does not require a bank account for issuance.

Internal credit rating platform

The existing CBS computing engine has been enhanced to generate credit scores of customers. Accordingly, the system can also allocate loyalty points to customers.

B2C self-service platforms

We have initiated online gold loan facility through customer bank account and interactive voice response (IVR)-based gold-ATM facility. Customers can now withdraw money from any IMT-

enabled ATMs across India if they face any challenge in accessing the internet.

Priorities for 2018-19

- We are in the process of implementing an information security management systems (ISMS) framework of policies and procedures. This will help us tighten the security of information assets such as financial information, intellectual property, employee data and any information entrusted to us by third parties.
- We are implementing a strong Data Loss Prevention (DLP) solution to prevent any critical data loss/leakage and withstand the challenges of increasing competition in our industry.
- A comprehensive mobile app is under development for door-to-door collection of loan repayment. The proposed app will allow the staff/field agent to collect the loan EMI/ interest directly from the customer from anywhere.
- An app, iMSecure, will be installed in high risk branches in certain geographies. The branch security person using the mobile app will be able to capture/verify existing customers visiting the branches along with their contact numbers to track and prevent suspected frauds.

Muthoot at a Glance

BUILDING ON A RICH TRADITION OF TRUST

THE STORY OF MUTHOOT FINANCE DATES BACK TO OVER 100 YEARS, WHEN A TRADING BUSINESS WAS ESTABLISHED BY SHRI NINAN MATHAI MUTHOOT IN 1887. ALMOST FIVE DECADES LATER, HIS SON SHRI M. GEORGE MUTHOOT FOUNDED THE GOLD LOAN BUSINESS IN 1939.

We are now India's No.1 Most Trusted Financial Services Brand, according to the Brand Trust Report 2016, 2017 and 2018. We are also the country's largest gold financing company in terms of loan portfolio and are a reputed 'Systemically Important Non-deposit taking NBFC'. As part of our core business, we provide personal and business loans secured by gold jewellery, or gold loans.

Our customers primarily include individuals who possess gold jewellery but cannot access formal credit within a reasonable time, or for whom credit may not be available at all. We help our customers meet unanticipated or other short-term liquidity requirements.

Our decades-rich experience and expertise inspire trust and customer loyalty. Our CBS connects all branches to a central server on a real-time basis. This ensures enhanced control, scalability and faster response to customer requirements.

CORE VALUES

We take pride in our strong foundation. Our values reflect a culture of trust which is built on the following pillars:

Ethics

Our primary aim is to put the needs of the customer first. We strive to provide them with the best quality of service under the Muthoot Brand umbrella and we do it with a smile.

Values

Accountability for all our operations and services and towards the society makes us a socially responsible and intelligent corporate citizen. Our empire has grown leaps and bounds on the basis of our values. The times may change, but our values will remain unchanged.

Reliability

With an unblemished track record throughout the markets we serve, and across national as well as global boundaries, Muthoot Finance values its commitment to customer service.

Dependability

We do not judge ourselves by the profits we make but by the trust and confidence that people have shown in us for the past 131 years. Over 7 Million people have turned to us for help in their hour of need because of this guiding principle of ours.

Trustworthiness

We pledge loyalty in our operations, fairness in our dealings and openness in our practices. At Muthoot Finance, we embrace policies and practices that fortify trust.

Integrity

This value is innate to a corruption-free atmosphere and an open work culture. We at Muthoot Finance, therefore cultivate transparency as a work ethic.

Goodwill

Muthoot Finance serves more than 7 Million customers across the country. We serve over 2,00,000 customers each day. With an unmatched goodwill, the Company shoulders the responsibility of providing its customers with services of the highest quality.

Responding to Opportunities With Agility

OPTIMISM TAKES US FORWARD

THE GOVERNMENT OF INDIA AND THE REGULATORS ARE INTRODUCING INCREMENTAL AND TRANSFORMATIVE CHANGES IN THE FINANCIAL SERVICES SPECTRUM. THE OBJECTIVE IS TO PROVIDE ACCESS TO FINANCIAL SERVICES TO THOSE WHO ARE OUTSIDE THE PERIPHERY OF FORMAL CHANNELS OF FINANCE AND ALSO TO USHER A GREATER PROPORTION OF TRANSACTIONS, SAVINGS AND CREDIT INTO THE FORMAL SYSTEMS, AWAY FROM CASH AND UNREGULATED INFORMAL MARKETS.

Gold loan remains an attractive space

The gold loan industry will continue to grow sustainably, driven by multiple opportunities: changing attitudes towards applying for gold loans, large volume of existing gold held by rural communities, availability of gold loan on extremely flexible terms and lower default rates in the supply side. Moreover, India's gold loan market is still underpenetrated, considering the abundant availability of gold as collateral with Indian private households and the existing size of the gold loan market. This presents a significant scope for growth of the gold loan market.

Opportunity grows in the insurance space

India's insurance market presents an attractive business opportunity, waiting to be harnessed owing to low penetration. Factors such as increasing life expectancy, favourable growth in financial savings and greater employment in the private sector will continue to fuel demand.

The sector is facing wide-ranging modernisation – be it in the adoption of contemporary techniques to tackle fraud or in the exploration of new

avenues for management, operating models, investment or distribution channels. The future of the sector looks promising with several changes in the regulatory framework, which will continue to usher in further change in the way the industry does business. With a large population and an untapped market, insurance companies have an attractive opportunity to grow, driven by rapid adoption of digital technologies.

Affordable housing drives credit growth

The Government has taken several noteworthy initiatives towards generating greater credit offtake and supplies in affordable housing. Besides, it has put in place a stringent regulatory environment. The country-wide implementation of Real Estate (Regulation and Development) Act or RERA is a milestone step towards stronger governance and greater transparency. It is a timely initiative to meet the objectives of 'Housing for All by 2022'.

Micro credit enhances relevance

Microfinance is meant to provide small-ticket credit to small businesses, which do not enjoy access to banking and

related services. With the organised banking sector not having much to offer to the poor and marginalised sections of society and small entrepreneurs, the microfinance sector has been a huge helping hand in driving financial inclusion in India.

Technology drives scale

Technology provides scalability to financial services businesses, enabling the quick roll-out of branches and efficient penetration of underserved markets. Provision of accurate real-time information has led to faster decision-making and reduced turnaround time for loan disbursements. Technology has significantly reduced human intervention and thereby, the approval, disbursement and repayment processes have become faster, simpler and more robust.

Better adherence to lending regulations (KYC, priority lending, among others), efficient tracking of borrower accounts, process transparency and minimisation of operational costs are some of the major benefits realised through the use of technology.

OUR INTRINSIC STRENGTHS PROPEL OUR GROWTH

Trusted brand

Our brand continues to enjoy a great reputation and recall across a large section of the population. As India's largest gold loan company, we have emerged as a safe haven for all gold financing solutions.

Multiple offerings

We have successfully diversified our offerings beyond gold loans to insurance, housing, retail financing and microfinancing. We are steadily aiming to become a one-stop solution to cater to the financial requirements of people.

Competitive interest rates

At Muthoot, our customers enjoy highly-competitive rates with a judicious and well-defined slab system that is easy to understand. Additionally, we charge interest only for the actual number of days for which loan is availed, making this a good draw for customers.

Customer engagement

We engage with customers regularly and provide them quality services at their doorstep, thereby earning their trust and support. We conduct awareness sessions for customers on the various services we provide and the benefits those services bring to them. Our customer grievance redressal mechanism addresses customer complaints in real-time, making us the preferred choice of millions.

Robust financial ecosystem

Over the years, we have raised capital from multiple sources at viable costs. Our diversified funding structure constitutes borrowings from banks and financial institutions (FIs) and secured non-convertible debentures as a means to access capital for our businesses.

Pan-India presence

We have significant presence in underserved semi-urban and rural markets, covering several villages and towns. We are reaching regions and impacting lives, where people are deprived of basic financial services. We have India's largest branch network aided by a strong local distribution team, which understands the aspirations and demands of local customers and assists them in being financially equipped.

Accelerated turnaround

We are widely known for loan disbursements within minutes. We process a loan request within 10-15 minutes, faster than other financial loans. Moreover, with e-KYC setting in, disbursing loans is becoming easier and faster.

Team Muthoot

Employees are at the core of Muthoot. It's their efforts that constantly propel us towards organisational success and make us the brand that we are today. We ensure to keep our people inspired, motivated and engaged.

Fortified security systems

Our people are adequately trained to handle customer's valuables and the 'strong room' where valuables are kept is under constant surveillance. This provides a sense of security to customers who repose their trust in us.

Stringent audit process

Our internal audit software schedules audits and assignments of auditors. The process facilitates online audit conducted by regional auditors and records irregularities and non-compliance. It ensures effective monitoring and control at all our branches and offices.

Leadership with a vision

We are governed by effective leadership in India's gold loan industry. Our dynamic operational leadership and strategic vision has enabled us to diversify into other businesses and maximise value for shareholders.

Digitally driven

Technology-based interventions and digitisation help us cater to a wider market at a faster pace. We consistently introduce and upgrade our digital tools to keep pace with the country's digital-first economy.

Chairman's Communique

SERVING A NATION ON THE MOVE

**Dear Shareholders,**

I am delighted to share our performance for 2017-18. However, before I discuss the details, it is pertinent to reflect on the macro scenario that is unfolding before us. This helps us sharpen our strategies, embrace opportunities and strengthen our paradigm for value creation for the long term.

During 2017-18, India continued to be one of the world's fastest growing economies, despite short-term headwinds such as the implementation of the Goods and Services Tax (GST); and the impact of remonetisation on the economy. The country demonstrated its resolve to achieve fiscal consolidation, complemented by wide-ranging and aggressive policies. The economy grew by 6.7% in 2017-18 compared to 7.1% in 2016-17. The reporting year was also marked by several key structural initiatives to ensure sustainable growth.

The expansion of the country's GDP is primarily the outcome of formalisation of the economy, improving business ecosystem, focus on infrastructure development and liberal FDI regime resulting in high foreign capital inflows. India has become a preferred investment destination as Moody's Investor Services has raised the country's sovereign rating for the first time in 14 years. It has changed the outlook to positive from stable.

IN AUGUST 2017, WE INCREASED STAKES IN MUTHOOT HOMEFIN (INDIA) LIMITED TO MAKE IT OUR WHOLLY OWNED SUBSIDIARY. THE NET PROFITS FROM THIS BUSINESS SURGED 8X FROM 2016-17.

This was a strong endorsement of the Government of India's growth-oriented policy initiatives.

With the Government's increasing focus on formalisation and inclusiveness, the NBFC sector is geared for an attractive growth trajectory. Despite the growing footprint of banks, India remains largely an underbanked economy and NBFCs are continuing to play a major role in helping bridge the credit gap in the country. These institutions are crucial in helping accelerate India's financial inclusion by supporting the aspirations of individuals who are denied access to capital by banks.

Taking India forward

Gold is considered a cherished and valued commodity. India consumes over 75% of the world's annual gold production. Muthoot continues to be India's largest gold financing company (by loan portfolio), serving as an agent of empowerment for millions of people. Today, we are a household brand, trusted for over 131 years.

Although our core business remains gold loans, we have diversified our portfolio into insurance, housing finance and asset finance. The trust reposed in us by our customers and stakeholders inspire us to continuously evolve and be an enthusiastic participant in the nation's journey towards progress.

During the year, we undertook multiple measures to grow our reach and brand recall. I am happy to share that we have engaged Shri Amitabh Bachchan as our brand ambassador. Padma Vibhushan Shri Bachchan will be representing The Muthoot Group across our national campaigns. It is also a matter of pride for us that we are now associated with Indian Premier League (IPL) as the

Principal Team Partner of Chennai Super Kings.

We believe semi-urban and rural India offers huge headroom for growth. We are committed to deepening and widening our outreach and be a force for societal good.

Encouraging performance

Our revenues grew from ₹5,747 Crores in 2016-17 to ₹6,243 Crores in 2017-18, registering a growth of 9%. Our net profit increased from ₹1,180 Crores to ₹1,720 Crores in 2017-18, growing by 46%. Further, our gross loan assets under management increased by 7%, from ₹27,278 Crores in 2016-17 to ₹29,138 Crores in 2017-18.

In August 2017, we increased stakes in Muthoot Homefin (India) Limited (MHIL) to make it our wholly owned subsidiary. The net profits from this business surged 8x from 2016-17. Additionally, our shareholding in Belstar Investment and Finance Private Limited (BIFPL) rose to 66.61% in 2017-18 from 64.60% in 2016-17, where net profits grew 3x compared to the previous year.

Our shareholding in Asia Asset Finance PLC (AAF), Colombo, Sri Lanka, stands at 50.3 Crores equity shares representing 60% of their total capital. Additionally, our wholly owned subsidiary Muthoot Insurance Brokers Private Limited (MIBPL), performed well with 1.8x net profits over the previous year.

Driven by values

Our people are driven by our core values and they represent the essentials of our culture. We conduct various employee engagement initiatives to help teams remain motivated and outperform. We acknowledge the need to re-skill

and upskill our own people, so that they can embrace new opportunities and come up with innovative strategies and solutions.

Our community priorities are a part of our broad sustainability agenda. During the year, we continued to contribute through the 'Muthoot M. George Foundation' and 'Muthoot M. George Charitable Trust' to provide healthcare and education to the deprived sections of society. We are also focused on empowering the movement against climate change.

Going forward, we will continue to strengthen our operations and expand our outreach nationally and internationally. We will continue to leverage our existing strengths and focus on implementing new technology solutions.

On behalf of the Board and the entire leadership team, I thank all our stakeholders for reposing their trust and confidence in Muthoot's journey.

Warm regards

M. G. George Muthoot
Chairman

Microfinance

BELSTAR INVESTMENT AND FINANCE PRIVATE LIMITED (BIFPL) IS A MICROFINANCE NON-BANKING FINANCE COMPANY (NBFC-MFI) REGISTERED WITH THE RESERVE BANK OF INDIA.

We hold 66.61% stake in the Company. BIFPL has presence in nine states – Tamil Nadu, Maharashtra, Madhya Pradesh, Karnataka, Kerala, Rajasthan, Odisha, Gujarat, Chhattisgarh and Puducherry. Its Gross and Net Non-Performing Asset stood at 0.76% and 0.30%, respectively as on March 31, 2018.

KEY ACHIEVEMENTS OF 2017-18

- Established Centralised Operations Centres (COCs) at Chennai and Karnataka to drive continuous monitoring and to ensure quality of loans being disbursed. COCs also reduce routine work at branches, allowing them to focus on business growth and portfolio quality.
- Strengthened the Joint Liability Group (JLG) model of loan disbursement. Currently, one fifth of the borrowers belong to JLGs and 15% of disbursements are received by JLG members.

- Launched tablets to improve performance and minimise errors in data collection, enabling staff movement tracking on the field.
- Continued growth with good portfolio and the PAR, well below the industry average owing to the credit plus initiatives.
- Reinforced the internal audit, treasury management and risk management teams significantly.
- Ensured a CIBIL check for all employees at the time of recruitment and counselling for underperforming existing employees as a risk-mitigation strategy.
- Securitized assets to capitalise on the availability of free pool in the books, resulting in better return on equity (ROE) to BIFPL.
- Introduced new products including consumer goods loans and increased first cycle loans and medium and small enterprises (MSME) loans; and attracted quality borrowers — liaised closely with customers by responding to genuine issues quickly to reinforce their trust in us.
- Prepared relevant modules for conducting trainings and induction across India through the support of external vendors; developed an in-house credit team to verify loan utilisation and act as customer relationship managers to support clients with various other initiatives such as obtaining PAN/UDYOG Aadhar and other social security schemes – 2,200+ members supported through this unique approach.
- Added spouse insurance to act as a safety net for clients and their families.
- Registered with www.PMRPY.gov.in to gain employee benefits.

AGILE TEAMS DELIVER TANGIBLE OUTCOMES

OUR HUMAN RESOURCE STRATEGIES FOSTER AN ENCOURAGING AND A MERIT-BASED WORKPLACE THAT ATTRACTS AND RETAINS TALENT. WE HELP OUR PEOPLE ENHANCE THEIR PERFORMANCE THROUGH SEVERAL LEARNING AND DEVELOPMENT PROGRAMMES, APART FROM REWARDING THEIR ACCOMPLISHMENTS.

Training and development

Our training is driven by two apex training institutes – the Muthoot Management Academies (MMA) and a country-wide network of strategically located Regional Training Centres. Our training schemes remain unique in our industry. They blend the collective skilled counsel and guidance of our staff with the tutelage of experts, aimed at improving customer interactions, asset management, customer service, product knowledge, team performance, employee self-confidence and selling skills. The business units are complemented by specialised

programmes that focus on soft skills and the overall organisational culture. We hire talent and give them the tools to shine, which include IT systems and high-quality training. We also ensure that our people are suitably rewarded.

The following training programmes were conducted during 2017-18:

Executive Development Programme (EDP)

It is a management programme specifically designed to promote our junior-level colleagues into managerial

roles through a fast-track process. It is aimed at improving team management abilities, business development activities, selling skills, along with understanding performance metrics.

Muthoot Finance Certified Business Manager Programme – Associate Level

This is our flagship programme that covers the entire range of business essentials from new customer acquisition, customer service, asset management, operational risk, teamwork and performance metrics.

Induction Programme

We have a structured induction programme that covers corporate history, culture and values, business framework, career planning, professional code of conduct, value creation, customer service skills and communication skills.

Business Performance Programme

This programme is aimed at supporting the employees to understand their roles and responsibilities better while focussing on imparting skills and methods towards achieving higher business performance.

Employee motivation and retention

At Muthoot, our people are empowered to deliver their best every day. We are committed to investing in talent retention and staff development, ensuring that as we grow, the right people are identified and groomed to take on more responsibilities.

The following initiatives were undertaken during 2017-18:

- Attractive quarterly staff incentives were offered to our branches/colleagues who achieved stipulated business targets under various business parameters.
- Employee Grievance Cell was constituted to address complaints arising at the workplace such as sexual harassment and others. The Cell ensures the safety of our people at the workplace.

- We provided ample opportunities for promotions to our non-supervisory cadre through a fast-track promotion channel. Additionally, senior channel promotions were instrumental in ensuring the appraisal of employees to higher grades.
- Regional HR Managers were positioned in selected regional offices to act as a link between the employee and the corporate office in case of any grievances/discomforts to employees pertaining to HR related matters.

Performance management

We reward our people for their performance and have a robust performance management system. We use a performance scorecard (PSC) system to grade performance and the score is communicated to both our supervisory and non-supervisory cadre staff in our operational units at the end

23,455

Employee strength

of every quarter. These performance scores serve as a yardstick for deciding the annual reviews.

Road ahead

Going forward, we plan to automate all the HR activities to make the Human Resource Department (HRD) a paperless wing.

Corporate Social Responsibility

BUILDING A SUSTAINABLE COMMUNITY DEVELOPMENT MODEL

WE WORK TOWARDS EMPOWERING COMMUNITIES AROUND US THROUGH RESPONSIBLE AND NEED-BASED INTERVENTIONS. WE PROVIDE FACILITIES FOR EDUCATION, SKILL DEVELOPMENT AND HEALTHCARE TO DISADVANTAGED SECTIONS OF SOCIETY. ENVIRONMENT CONSERVATION ALSO REMAINS OUR PRIORITY AREA. THESE INITIATIVES ARE PART OF OUR SCALABLE AND SUSTAINABLE COMMUNITY DEVELOPMENT MODEL.

Promoting education

Distributing school kits

We distributed educational materials to underprivileged school children in Thane, Navi Mumbai region, during the birthday celebration of Shiv Sena Party Chief Shri Uddhav Thackeray. Overall, we supplied 1,500+ educational kits, along with school bags to the students of Thane Municipality School and organised a drawing competition for students.

Providing scholarships

The Muthoot M. George Higher Education Scholarship is an initiative by Muthoot M. George Foundation, the CSR division of The Muthoot Group. It honours meritorious students and helps them pursue professional education. The scholarship is awarded to students in four professional courses – Medicine, Engineering, Nursing and Commerce. The students are entitled to scholarships till course completion, subject to terms and conditions recommended by the Foundation.

Encouraging students through awards

The Muthoot Group presents Muthoot M. George Excellence Award to the toppers of SSLC Exam in government schools of various states across the country. Toppers receive a cash award of ₹3,000 with a citation. The list of rank holders of various schools is prepared in consultation with District Educational Offices.

942

Awards presented with an outlay of ₹29,86,000 during 2017-18

Igniting talent among students

Along with The Bombay YMCA, we organised Brainwaves 2017 competition. The exclusive programme was conceived and conceptualised to bring out the best in students and

to create a platform to enhance their personalities. The activities included short story writing, poster painting, general knowledge quiz, elocution and story-telling. The winners were awarded with rolling trophies, cash prizes and a certificate.

Supporting those in need Enhancing vocational skills

We partnered with the Centum Foundation in Faridabad district and helped 360 rural youth and women, to receive skill-building training. We helped them develop employable skills through activities like classroom and practical trainings, counselling, mobilisation and distribution of course materials. Employability-linked skills training was provided for roles such as customer care executive/data entry operator, assistant beauty therapist, retail trainee associate, sewing machine operator and self-employed tailor.

Providing financial assistance to girls

Muthoot M. George Foundation, the CSR arm of Muthoot Finance, provided financial assistance of ₹2 Lakhs each to girls of widowed mothers selected from the districts of Alleppey and Pathanamthitta. The project was inaugurated by Shri Mathew T. Thomas, Water Resources Minister, Kerala. In Phase 2, the Project provided assistance to girls from financially-deprived families.

Enabling students as social change agents

We participated in the Change Agent Programme, organised by YMCA. It is a unique training programme for selected government school students, who are trained to bring a positive change in the society.

Honouring eminent personalities

We organised the Muthoot Snehasammanam Project to reward and distinguish artists, writers and their widows at Calicut. We announced a press meet at Ernakulam Press Club to present the honours. Smt. P. Valsala, an eminent writer, along with Shri George M. Jacob, Executive Director, Muthoot Finance distributed the awards.

Addressing healthcare challenges

Assisting care units

We donated an Omni van to Dr. Zachariah Mar Theophilos Memorial Palliative Care Unit, Thadagam. The care home shelters ~100 inmates and provides free home services to bedridden and chronically ill patients in and around Thadagam, Coimbatore. This unit provides a voluntary platform for doctors, paramedical staff and others to come and serve the underprivileged. The unit aims to cover 20 villages around Christu Sishya ashram.

Helping children smile

We initiated the Muthoot Shape a Smile Project to provide cleft lip and palate surgeries among children to help them overcome their deformity and bring back their smiles.. Through

this initiative, Muthoot M. George Foundation aims to spread awareness on this condition and educate the public on the positives of early surgical intervention. We sponsored free surgeries for children at Kumaran Hospital, Chennai.

Safeguarding the ecosystem Cleaning the Varattar river

During 2017-18, we engaged in cleaning the Varattar river. We ensured to leave cleaner banks and purer water for everyone. The results were commendable.

22 Description of the method and significant assumptions used to estimate fair value: -

The Securities Exchange Board of India (SEBI) has prescribed two methods to account for employee stock options; (1) the intrinsic value method; (2) the fair value method. The company adopts the intrinsic value method to account for the stock options it grants to the employees. Intrinsic value is the amount, by which the quoted closing market price of the underlying shares as on the date of grant exceeds the exercise price of the option. The fair value of the option is estimated on the date of grant using Black Scholes options pricing model with following assumptions:-

6. The Company has spent ₹ 19.73 Crores in promoting education, improving quality of life, medical aid and others. Amount spent in the previous year on CSR activities was ₹ 15 Crores. There is a considerable increase in CSR expenditure in comparison to the previous year. However, the amount spent is short of amount required to be spend under Section 135 of Companies Act, 2013, as the Company was unable to identify suitable projects within its CSR Policy and in few instances Company was not able to fully utilise the budgeted amount due to specified standard of eligibility criteria, etc. Hence your Company was not able to spend entire ₹ 28.44 Crores. Your Company is focused on creating sustainable and long term CSR model and hence your Company will be able to spend more amount for CSR expenditure in future.
7. CSR Committee of Board affirms that CSR activities are implemented in accordance with CSR objectives of Companies Act, 2013 and CSR Policy of your Company.

We service about 2 lakh customers per day. This supports social well being as well as business activities.
e-KYC - To facilitate easier compliance to KYC norms by customers, we launched 'e-KYC facility'. It is a customer-friendly and convenient digital KYC process based on Aadhaar with direct UIDAI link. The verification procedure is conducted by using customers' fingerprints. This paperless and highly secure system enables faster loan processing and ensures 100% integrity in KYC verification. We are the first 'Gold Loan NBFC' to introduce this facility, with over 50% adoption rate in the first roll out.
iMuthoot- Mobile App - We developed a new mobile application called iMuthoot that allows customers to transact through their smartphones. This is our major initiative towards building a branch-less banking ecosystem for our customers. The app is available on Google Play and Apple Store. iMuthoot allows existing customers to view their loan statements and balance as well as Online Gold Loan facility. New customers can see our latest loan schemes, calculate loan eligibility, locate branches and fix appointments with their nearest branch officials and apply for gold loans. It is available in six languages. This app along with online payment facility has helped us a lot to move towards more and more digital transaction.

MANAGEMENT DISCUSSION AND ANALYSIS

Global economy

The world economy continued to improve in FY 2017-18, as growth picked up simultaneously across advanced countries and emerging markets and developing economies. The cyclical upswing underway since the middle of 2016 augmented to record a growth rate of 3.8% during the reporting period [Source: International Monetary Fund (IMF)]. The revival was a result of increased investments and rising consumption demands due to optimism in global financial markets.

The growth momentum is likely to continue in the current year and oust the remaining legacy of the crisis. The impetus is expected to sustain owing to focussed monetary policies, improving labour markets and enhanced investments leading to accelerated development in advanced markets. Global economic buoyancy is expected to remain balanced in the near to medium term, with an upward bias. The IMF predicts global growth to touch 3.9% in the upcoming years (2018 and 2019) owing to bullish financial markets.

Indian economy

India's economy underwent a series of structural changes in the form of the Goods and Services Tax (GST) and demonetisation in the last couple of years. During FY 2017-18, as the adverse effects of these transformations began to wane, India recorded a GDP growth rate of 6.7%. Additionally, during the reporting period, India overtook France to register as the world's sixth largest economy and continued to progress as one of the fastest growing world economies. Besides, Moody's upgraded its rating for India first time in 14 years.

India's GDP is expected to grow at 7.4% in 2018 and 7.8% in 2019, according to the IMF, on the back of cyclical economic recovery, consistent reforms and concurrent uptick in global growth. Besides, the Government of India's (GoI's) liberal foreign investment norms in various industries and expanding expenditure will help strengthen the economy. Private consumption and investments are also likely to accelerate due to economic development and GoI's efforts to bring more Indians in the folds of the formal economy.

NBFCs in India

Non-banking finance companies (NBFCs) are a vital part of India's financial system. Their role in nation-building and financial inclusion complement the banking sector in taking credit to the unbanked segments of society. NBFCs play a critical role in providing financial support for the economically weaker sections.

The scope of NBFCs is expanding with the Government of India (GoI) focussing prominently on promoting entrepreneurship and innovation, especially in the micro, small and medium enterprises (MSMEs) segment. NBFCs enjoy the advantages of better product lines, lower cost, wider and effective reach, robust risk management capabilities to check

Gold demand in India

India's fascination for gold dates back to ancient times, owing to the metal's religious, cultural and investment significance. Gold continues to capture the imagination of Indians till date and there is an insatiable demand for the 'yellow metal' irrespective of movements in its prices. Consumption, instant liquidity and investment benefits are factors that drive people to buy and store gold. For Indians, investment in gold has always been viewed as a reliable source in times of need, especially by rural households. Gold is a means to get quick liquidity to meet any exigencies.

India continues to be one of the largest consumer markets for gold and is estimated to hold ~12.9% of the world's total gold stock in FY 2017-18 up from 11.7% in FY 2011-12.

Factors affecting gold demand in India

Long-term factors		Short-term factors	
Rising incomes	Gold price movement	Inflation	Excess rainfall
It is anticipated that for a 1% increase in income, the demand for gold will rise by 1%	For a 1% increase in gold price, demand will decrease by 0.5%	For a 1% increase in inflation, demand increases by 2.6%	For a 1% increase in monsoon rainfall, gold demand rises by 0.5%

(Source: iMaCS, Gold Loan Market in India 2018)

These factors have created the right conditions for a flourishing gold loan market in India.

India's gold loan market

Till the middle of the last decade, the unorganised sector catered to India's gold loan market with limited penetration of organised lenders. However, the gold loan industry is increasingly formalising now with established and organised players gaining market share. The modern customers seek reliability and a trusted source, which encourage a greater number of organised retailers to come to the industry's forefront.

The total organised gold loan market in India reached an estimated size of ₹1,600 Billion after a muted growth of ₹1,450 Billion in 2016-17. The gold prices at the end of FY 2017-18 were higher by 7% compared to the corresponding period in the previous year. The demand for gold jewellery increased by about 6% during the reporting period vis-à-vis the year before.

Over the years, the specialised gold loan NBFCs have captured a significant market share in India. They have also increased the overall demand for gold loans with their niche focus and targeted market expansion activities. Traditionally, southern India is the hub for gold loans. However, growing economic stability in India, coupled with increasing gold prices is bolstering the specialised gold loan NBFCs across the nation. Additionally, these NBFCs are adopting an aggressive approach to expand and penetrate the non-South geographies, while at the same time focussing on improving the productivity of their existing branches, beyond their traditional strongholds.

NBFCs play a critical role in providing financial support for the economically weaker sections.

Over the years, the specialised gold loan NBFCs have captured a significant market share in India.

Impact of Goods and Services Tax (GST) on gold

In the pre-GST era, the taxation on gold was 1% excise duty, along with a VAT of 1-1.5%, totalling to 2% tax. GST rates on gold have been pegged to 3%. This is in addition to an import duty of 10% and 5% GST on making charges.

Strategic moves for the sector

Increasing footprint

Gold loan NBFCs are staying competitive by leveraging opportunities beyond their traditional Southern markets. They are launching aggressive advertising and promotion campaigns to increase their acceptability.

Diversifying incomes

The specialised gold loan NBFCs are also focussing on other financial products like providing insurance, foreign exchange, money transfer, travel services and others to increase their income sources with diversification of portfolio.

Leading digitally

NBFCs are implementing several technology-based initiatives including online payment services, fully networked and inter-connected branches through Core Banking Solution (CBS), disaster recovery mechanisms and faster credit delivery mechanism for customers. Additionally, they have introduced digitally-powered systems such as Aadhaar-based KYC, POS[^] terminals for payment of interest and loans, direct credit facility through NEFT/RTGS/IMPS^{*} mode and Gold Cash Card, among others to enhance customer experience.

Reinforcing risk management

The specialised gold loan NBFCs are enthusiastically investing in enterprise risk management systems to better comply with stricter regulations on compliance. They are introducing processes for effective risk management, internal audit and branch surveillance and implementing Management Information Systems (MIS). Moreover, they are constituting Board-level committees for risk management, grievance redressal, audit and governance, which will surely strengthen their operational framework.

Supporting training and learning

Leading specialised gold loan NBFCs are investing in training and development of their new and existing staff. These organisations are focussing on upskilling their people, especially in growing their skills in customer relations and communication.

The total organised gold loan market in India reached an estimated size of ₹1,600 billion after a muted growth of ₹1,450 billion in FY 2016-17.

Growing through innovation

NBFCs use innovative gold loan products to cater to the diverse needs of their customers based on tenure, interest rate, segment, ticket size and repayment, among others. They offer diverse loan schemes, which attract customers from all sections, enlarging the customer base, and thereby profitability.

Industry outlook

With the credit demand expected to rise, the gold loan market is projected to grow between 10-12% over the next few years and reach a market size of ~₹2,300-2,500 billion by FY 2021-22 (Source: iMaCS, Gold Loan Market in India 2018). Digital onboarding, delivery solutions and successful geographical expansion of gold loans market to non-South geographies are few key factors that facilitate the growth of specialised gold loan NBFCs. With the organised gold loan penetration levels below 4%, there is headroom for growth in this market. Financial institutions with the right focus, operational capabilities, availability of funds, refreshing products and modern technology are concentrating to capture a large market share and profitable returns.

However, the growth of the gold loan industry may be adversely affected by: a) abrupt downward revision in gold prices; b) any further tightening of the regulatory environment for NBFCs and c) any significant changes in customers preference from gold loan to other alternative lending products like personal loans, microfinance, among others. Despite the aforementioned risks, gold loan continues to be the loan product, which meets the expectations of the borrower in terms of availability at a short notice and at reasonable terms. Besides, it addresses the concerns of a lender in terms of credit risk while providing a higher return. These features will overweigh the risks attached to the growth projections of the industry.

Industry risks

Competition

Banks which have significant cost of funds advantage can grow their gold loan business by offering lower interest rates than NBFCs, thereby imposing threat to the NBFC gold loan business. Besides, the unorganised sector caters to a large

The gold loan market is projected to grow between 10-12% over the next few years and reach a market size of ~₹2,300-2,500 billion by FY 2021-22 (Source: iMaCS, Gold Loan Market in India 2018).

customer segment even today and retain their niche customer segment limiting the growth opportunities of NBFCs

Reduction in collateral value

Decrease in gold prices and steep decline in value, along with simultaneous loss of the sentimental attachment towards the collateral can pose a serious threat to the gold loan business. Companies across the industry are implementing robust risk management mechanisms to meet the contingencies of fall in collateral value, although it is a peripheral risk to the sector.

Adverse regulatory changes

Though adequate regulations have been framed for regulating the sector, any future changes in the regulatory environment have the potential to affect the gold loan NBFC industry. In the face of adverse regulations, the industry players may find the business less profitable, which may affect their sustainability.

Alternative loan products

Popularisation and availability of other loan products like personal loan, loan against property and home loan, among others can reduce the demand for gold loan. Additionally, diminishing availability of gold jewellery with borrowers and their unwillingness to pledge, serve as a potential threat to the growth of this sector.

INDEPENDENT AUDITOR'S REPORT

To the Members of Muthoot Finance Limited Kochi

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of Muthoot Finance Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018, and its profit and its cash flows for the year ended on that date.

1. (a) The Company is maintaining records showing full particulars, including quantitative details and situation of fixed assets, which however requires to be updated.
 - (b) As informed to us, not all the fixed assets have been physically verified by the management during the year, but there is a regular programme of verification, which, in our opinion is reasonable having regard to the size of the Company and the nature of its assets. We are informed that no material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us, the records of the Company examined by us and based on the details of land and buildings furnished to us by the Company, the title deeds of immovable properties are held in the name of the Company. In respect of certain immovable property acquired under a scheme of amalgamation, the title deeds continue to remain in the name of the erstwhile owners.
2. The Company is a Non-Banking Finance Company and has not dealt with any goods and the Company does not hold any inventory during the period under audit. Accordingly, the reporting requirement under clause (ii) of paragraph 3 of the Order is not applicable.
 3. According to the information and explanations given to us and the records of the Company examined by us, the Company has granted loans (both secured and unsecured) to two subsidiary companies during the year and the same is covered in the register maintained under Section 189 of the Act.

The terms and conditions of the grant of such loans are not prejudicial to the Company’s interest. The repayment or receipts of principal and interest are as per schedule stipulated and are regular. There are no overdue amounts.
 4. According to the information and explanations given to us and the records of the Company examined by us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans and making of investments. The Company has not given any guarantees or provided security for which the provisions of Sections 185 and 186 of the Act are applicable.
 5. The Company has not accepted any deposits from the public during the year which attract the directives issued by the Reserve Bank of India. For the reasons stated in Note 34 to the standalone financial statements loans accepted from a person (Balance outstanding at the end of the year: Nil) is not treated as a deposit. Being a Non-Banking Finance Company, the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder regarding acceptance of deposits are not applicable. Therefore, the reporting requirement under clause (v) of paragraph 3 of the Order is not applicable.
 6. To the best of our knowledge and according to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148 (1) of the Act for the Company at this stage.
 7. (a) As per the information and explanations furnished to us and according to our examination of the records of the Company, the Company has been generally regular in depositing undisputed statutory dues including Provident Fund, Employee’s State Insurance, Income Tax, Sales Tax, Service Tax, Goods and Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and any other statutory dues, as applicable to the Company to the appropriate authorities during the year.

According to the information and explanations given to us, no undisputed statutory dues payable in respect of Provident Fund, Employees State Insurance, Income Tax, Sales Tax, Service Tax, Goods and Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other material statutory dues were outstanding as at March 31, 2018, for a period of more than six months from the date they became payable.
 - (b) According to the information and explanations given to us and the records of the Company examined by us, there are no disputed amounts due to be deposited of sales tax, Duty of Customs, Duty of Excise or Value Added Tax as at March 31, 2018.

According to the information and explanations given to us the following disputed amounts of income tax and service tax have not been deposited with the authorities as at March 31, 2018:

ANNEXURE ‘B’ REFERRED TO IN PARAGRAPH 2(f) UNDER THE HEADING “REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS” OF OUR INDEPENDENT AUDIT REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF MUTHOOT FINANCE LIMITED FOR THE YEAR ENDED MARCH 31, 2018

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial control systems with reference to standalone financial statements reporting of Muthoot Finance Limited (“the Company”) as of March 31, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal controls with reference to standalone financial statements reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls systems with reference to financial statements reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the ‘Guidance Note’) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls system with reference to financial statements reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements reporting and

their operating effectiveness. Our audit of internal financial controls system with reference to financial statements reporting included obtaining an understanding of internal financial controls system with reference to financial statements reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to financial statements reporting.

Meaning of Internal Financial Controls with reference to Financial Statements reporting

A Company’s internal financial controls system with reference to financial statements reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial controls system with reference to financial statements reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements reporting

Because of the inherent limitations of internal financial controls system with reference to financial statements reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls system with reference to financial statements reporting to future periods are subject to the risk that the internal financial controls system with reference to financial statements

reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements reporting and such internal financial controls system with reference to financial statements reporting were operating effectively as at March 31, 2018, based on the internal control with reference to financial statements reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Emphasis of matter

As per the gap-analysis conducted by an independent agency, the information technology framework requires to be modified to be in line with the RBI guidelines prescribed for NBFC sector, which we are informed will be complied within the timelines specified by RBI.

Our opinion is not modified in respect of the above matter.

Actuarial gains and losses are recognised in the Statement of Profit and Loss for the period in which they occur.

d) Employee share based payments

Stock options granted to the employees under the stock option scheme established are accounted as per the accounting treatment prescribed by the SEBI (Share Based Employee Benefits) Regulations, 2014 issued by Securities and Exchange Board

of India. The Company follows the intrinsic value method of accounting for the options and accordingly, the excess of market value of the stock options as on the date of grant over the exercise price of the options, if any, is recognised as deferred employee compensation cost and is charged to the Statement of Profit and Loss on graded vesting basis over the vesting period of the options.

2.5 Tangible Assets (Property, Plant & Equipment)

Tangible assets are stated at historical cost less accumulated depreciation. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

The residual values, useful lives and methods of depreciation of tangible assets are reviewed each year and adjusted prospectively, if appropriate.

Depreciation is charged based on a review by the management during the year and at the rates derived based on the useful lives of the assets as specified in Schedule II of the Companies Act, 2013 on Written Down Value method. All fixed assets costing individually upto ₹5,000/- is fully depreciated by the Company in the year of its capitalisation.

2.6 Intangible Assets

Intangible Assets are amortised over their expected useful life. It is stated at cost, net of amortisation. Computer Software is amortised over a period of five years on straight-line method based on a review by the management during the year.

The residual values, useful lives and methods of depreciation of intangible assets are reviewed each year and adjusted prospectively, if appropriate.

2.7 Foreign Exchange Transactions

Foreign currency transactions are recorded, on initial recognition, by applying to the foreign currency amount the exchange rate at the date of the transaction. Foreign currency monetary assets and liabilities are reported using the exchange rate as on the Balance Sheet date. Non-monetary

NOTES ON ACCOUNTS

for the year ended March 31, 2018

items, which are carried in terms of historical cost denominated in foreign currency, are reported using the exchange rate at the date of the transaction. Exchange differences arising on the settlement of monetary items are recognised as income or as expenses in the period in which they arise.

2.8 Taxes on Income

Income Tax expenses comprises of current tax and deferred tax (asset or liability). Current tax is the amount of tax payable on the taxable income for the year determined in accordance with the provisions of the Income Tax Act, 1961. Deferred tax is recognised, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets are recognised only to the extent that there is a reasonable certainty that sufficient future income will be available except that deferred tax assets, in case there are unabsorbed depreciation or losses, are recognised if there is virtual certainty that sufficient future taxable income will be available to realise the same. Deferred tax assets are reviewed for the appropriateness of their respective carrying values at each reporting date. Deferred tax assets and deferred tax liabilities are offset wherever the Company has a legally enforceable right to set off current tax assets against current tax liabilities and where the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority.

2.9 Investments

Investments intended to be held for not more than one year are classified as current investments. All other investments are classified as non-current investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Non-Current investments are carried at cost. However, provision for diminution in value is made to recognise a decline, other than temporary, in the value of the Non-Current investments.

2.10 Impairment of Assets

The carrying amounts of assets are reviewed at each balance sheet date to ascertain impairment based on internal / external factors. An impairment loss is

recognised when the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the higher of the net selling price of the assets or their value in use. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life. A previously recognised impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

2.11 Cash and Cash Equivalents

Cash and cash equivalents comprise of cash at bank, cash in hand and bank deposits having maturity of 3 months or less.

2.12 Provisions, Contingent Liabilities & Contingent Assets

Provisions are recognised only when the Company has present, legal or constructive obligations as a result of past events, for which it is probable that an outflow of economic benefit will be required to settle the transaction and a reliable estimate can be made for the amount of the obligation.

Contingent liability is disclosed for

- (i) possible obligations which will be confirmed only by future events not wholly within the control of the Company, or
- (ii) present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognised in the financial statements since this may result in the recognition of income that may never be realised.

2.13 Debenture Redemption Reserve

In terms of Section 71 of the Companies Act, 2013 read with Rule 18 (7) of Companies (Share Capital and Debentures) Rules 2014, the Company has created Debenture Redemption Reserve in respect of Secured Redeemable Non-Convertible Debentures and Unsecured Redeemable

2.15 Leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased assets, are classified as operating leases.

Where the Company is the Lessor:

Assets given on operating leases are included in fixed assets. Lease income is recognised in the Statement of Profit and Loss on a straight-line basis over the lease term. Costs, including depreciation are recognised as an expense in the Statement of Profit and Loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognised immediately in the Statement of Profit and Loss.

Where the Company is the lessee:

Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

2.16 Segment Reporting

Identification of segments:

- a) The Company's operating businesses are organized and managed separately according

to the nature of services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The Company has identified two business segments – Financing and Power Generation.

- b) In the context of Accounting Standard 17 on Segment Reporting, issued by the Institute of Chartered Accountants of India, Company has identified business segment as the primary segment for the purpose of disclosure.
- c) The Company operates in a single geographical segment. Hence, secondary geographical segment information disclosure is not applicable.
- d) The segment revenues, results, assets and liabilities include the respective amounts identifiable to each of the segment and amounts allocated on a reasonable basis.

Unallocated items:

*Contracted tenor of gold loan is maximum of 12 months. However, on account of high incidence of prepayment before contracted maturity, the above maturity profile has been prepared by the management on the basis of historical pattern of repayments. In case of loans other than gold loan, the maturity profile is based on contracted maturity.

INDEPENDENT AUDITOR'S REPORT

To the Members of Muthoot Finance Limited Kochi

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Muthoot Finance Limited (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), comprising of the Consolidated Balance Sheet as at March 31, 2018, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements

and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on the separate financial statements and on the other financial information of the subsidiary companies, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2018, their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matters

- a) We did not audit the financial statements/financial information of three subsidiaries (incorporated in India) included in the consolidated financial results, whose financial statements reflect total assets of ₹29,546,406,808.09 and net assets of ₹4,030,632,768.26 as at March 31, 2018; as well as total revenue of ₹3,629,356,659.70 and net cash inflow of ₹984,027,320.29 for the year ended March 31, 2018. These financial statements and other financial information have been audited by other auditors whose reports have been furnished to us by the management, and our opinion on the consolidated financial statements, to the extent they have been derived from such financial statements is based solely on the report of such other auditors.

- b) We did not audit the financial statements of one foreign subsidiary included in the consolidated financial results, whose financial statements reflect total assets of ₹5,135,190,207.36 and net assets of ₹784,114,291.10 as at the year ended March 31, 2018; as well as total revenue of ₹1,080,830,841.28 and the net cash inflow of ₹24,482,167.89 for the year ended March 31 2018. These financial statements and other financial information are unaudited and have been furnished to us by the management and our opinion on the consolidated results as so far as it relates to the amounts included in respect of this foreign subsidiary is based solely on such financial statements and other financial information as certified by the management. In our opinion and according to the information and explanations given to us these financial statement and other financial information are not material to the Group.
- e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2018 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls system with reference to financial statements reporting of the group, which are companies incorporated in India, and the operating effectiveness of such controls, refer to our separate Report in 'Annexure A' to this report.

Our opinion above on the consolidated financial statements, and our report on other legal and regulatory requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and reports of the other auditors and financial statements and other financial information certified by the Management.

Report on Other Legal and Regulatory Requirements.

As required by Section 143 (3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and other financial information of subsidiary companies, as noted in the 'Other Matters' paragraph, we report, to the extent applicable, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on standalone financial statements as also the other financial information of the subsidiary companies incorporated in India, as noted in the 'Other matters' paragraph:
- i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, Refer Note 30 to the consolidated financial statements.
 - ii. The group has made provision in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the subsidiary companies incorporated in India.

ANNEXURE ‘A’ REFERRED TO IN PARAGRAPH 2(F) UNDER THE HEADING “REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS” OF OUR INDEPENDENT AUDIT REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF MUTHOOT FINANCE LIMITED FOR THE YEAR ENDED MARCH 31, 2018

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of Muthoot Finance Limited, as of and for the year ended March 31, 2018, we have audited the internal financial controls system with reference to financial statements reporting of Muthoot Finance Limited (hereinafter referred to as ‘Holding Company’) and its subsidiary companies which are incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial reporting criteria established by the Holding Company and its subsidiary companies incorporated in India considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls systems over financial statements reporting of the Holding Company and its subsidiary companies incorporated in India with reference to financial statements reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls system with reference to financial statements reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements reporting and their operating effectiveness. Our audit of internal financial controls system with reference to financial statements reporting included obtaining an understanding of internal financial controls system with reference to financial statements reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the ‘Other Matter’ paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to financial statements reporting of the Holding Company and its subsidiary companies incorporated in India.

Meaning of Internal Financial Controls with reference to Financial Statements reporting

A company’s internal financial controls system with reference to financial statements reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial controls system with reference to financial statements reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements reporting

Because of the inherent limitations of internal financial controls system with reference to financial statements reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also,

projections of any evaluation of the internal financial controls system with reference to financial statements reporting to future periods are subject to the risk that the internal financial controls with reference to financial statements reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanation given to us and based on the consideration of reports of other auditors, as referred to in 'Other Matter' paragraph, the Holding Company and its subsidiary companies incorporated in India have, in all material respects, an adequate internal financial controls system with reference to financial statements reporting and such internal financial controls with reference to financial statements reporting were operating effectively as at March 31, 2018, based on the internal control with reference to financial statements reporting criteria established by the Holding Company and subsidiary companies incorporated in India considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Emphasis of matter

As per the gap-analysis conducted for the Holding Company by an independent agency, the information technology framework requires to be modified to be in line with the Reserve Bank of India guidelines prescribed for NBFC sector, which we are informed will be complied within the timelines specified by Reserve Bank of India

Our opinion is not modified in respect of the above matter.

Other Matter

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial statements reporting insofar as it relates to three subsidiary companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

Our opinion is not modified in respect of the above matter.

NOTES ON ACCOUNTS

for the year ended March 31, 2018

2.2 Principles of Consolidation

The consolidated financial statements have been prepared on the following basis:-

- (a) The financial statement of the subsidiary companies used in the consolidation are drawn upto the same reporting date as that of the Company i.e., Year ended March 31, 2018. The financial statements and other financial information for the year ended March 31, 2018 relating to the foreign subsidiary AAF are unaudited as on date.
- (b) The financial statements of the Company and its subsidiaries have been consolidated in accordance with the principles and procedures for the preparation and presentation of consolidated financial statements as laid down under Accounting Standard – 21 ‘Consolidated Financial Statements’, on a line-by-line basis by adding together the like items of assets, liabilities, income and expenses, after eliminating intra-group balances, intra group transactions and resulting unrealised profits/ losses, unless cost cannot be recovered.
- (c) Consolidated financial statements are prepared using uniform accounting policies except as stated in 2.6, 2.7, 2.10, 2.15 of this Schedule, the adjustments arising out of the same are not considered material.
- (d) Minority Interest in the net assets of the consolidated subsidiaries consist of the amount of equity attributable to the minority shareholders at the date on which investments in the subsidiary companies were made and further movements in their share in the equity, subsequent to the dates of investment. Net profit/loss for the year of the subsidiaries attributable to minority interest is identified and adjusted against the profit after tax of the Group in order to arrive at the income attributable to shareholders of the Company. Minority Interest’s share of net assets of subsidiaries is identified and presented in the consolidated balance sheet separate from liabilities and the equity of the Company’s shareholders.
- (e) The excess of cost to the Company of its investments in the subsidiary companies over its share of equity of the subsidiary companies, at the dates on which the investments in the subsidiary companies were made, is recognised as ‘Goodwill’ being an asset in the consolidated financial statements and is tested for impairment on annual basis. Alternatively, where the share of equity in the subsidiary companies as on the date of investment is in excess of cost of investments of the Company, it is recognised as ‘Capital Reserve’ and shown under the head ‘Reserves & Surplus’, in the consolidated financial statements.
- (f) Goodwill arising on consolidation is not amortised but tested for impairment.
- (g) In respect of the foreign subsidiary, its financial statements are converted into Indian currency as per Accounting Standard (AS 11) “The effect of changes in Foreign Exchange Rates”.

2.3 Use of Estimates

The preparation of the financial statements requires use of estimates and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of income and expenses during the reporting period and disclosure of contingent liabilities as at that date. The estimates and assumptions used in these financial statements are based upon the management evaluation of the relevant facts and circumstances as at the date of the financial statements. Management believes that these estimates and assumptions used are prudent and reasonable. Future results may vary from these estimates. Any revision to accounting estimates is recognised in current and future periods.

2.4 Revenue Recognition

Revenues are recognised and expenses are accounted on accrual basis with necessary provisions for all known liabilities and losses. Revenue is recognised to the extent it is realisable wherever there is uncertainty in the ultimate collection. Income from Non-Performing Assets is

NOTES ON ACCOUNTS

for the year ended March 31, 2018

recognised only when it is realised. Interest income on deposits are recognised on time proportionate basis. Dividends from investment in shares are recognised when a right to receive payment is established.

In respect of its subsidiary AAF, for all financial instruments interest income or expense is recorded using Effective Interest Rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset or liability. The calculation takes into account all contractual terms of the financial instrument and includes any fees or incremental costs that are directly attributable to the instrument and are an integral part of the EIR, but not future impairment loss. The carrying amount of the financial asset or liability is adjusted if the subsidiary revises its estimates of payments or receipts. The adjusted carrying amount is calculated based on the original EIR and the change in carrying amount is recorded as "Interest Income" for financial assets and "Interest Expense" for financial liabilities.

In respect of its subsidiary, MHIL, interest on performing assets is calculated on monthly reducing balance method and recognised on accrual basis and on non-performing assets on realisation basis as per the guidelines prescribed by the National Housing Bank. Processing fees and documentation charges are recognised on disbursement of loans.

In respect of its subsidiary, BIFPL, profit on securitisation of loan portfolio through bankruptcy remote Special Purpose Vehicle (SPV) is recognised over the residual life of the securitisation transaction in terms of RBI Guidelines. Profit on sale of loan assets through direct assignment, without any recourse obligation or otherwise is amortised over the residual life of the loan. In respect of loans that have become Non-Performing Asset, interest is recognised only to the extent collected. Loan processing fees charged to borrowers are recognised upfront in the year of receipt.

2.5 Employee Benefits

A) Short-Term Employee Benefits:-

Short-Term Employee Benefits for services rendered by employees are recognised during the period when the services are rendered.

B) Post employment benefits:-

a) Defined Contribution Plan

Provident Fund

All eligible employees of the Group except foreign subsidiary are entitled to receive benefits under the provident fund, a defined contribution plan in which both the employee and the Group contribute monthly at a stipulated percentage of the covered employees salary. Contributions are charged to Statement of Profit and Loss at actuals. The Group has no liability for future provident fund benefits other than its stipulated contribution during the year. Contributions of the Companies are made to Employees Provident Fund Organisation in respect of Provident Fund, Pension Fund and Employees Deposit Linked Insurance Scheme at the prescribed rates.

In respect of foreign subsidiary AAF, employees are eligible for benefits of defined contribution plans of Employees' Provident Fund (EPF) contributions and Employees' Trust Fund (ETF) contributions in accordance with the respective statutes and regulations.

b) Defined Benefit Plan

Gratuity

The Company and its subsidiaries BIFPL & MHIL provides for gratuity covering eligible employees under which a lumpsum payment is made to vested employees at retirement, death, incapacitation or termination of employment, of an amount reckoned on the respective employee's salary and his tenor of employment with the group. The said companies in the Group accounts for its liability for future gratuity benefits based on actuarial valuation determined at each Balance Sheet date by an Independent Actuary using Projected Unit Credit Method. The said Companies in the Group recognises the net

NOTES ON ACCOUNTS

for the year ended March 31, 2018

obligation of the gratuity plan in the Balance Sheet as an asset or liability, respectively in accordance with Accounting Standard 15, 'Employee Benefits'. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss in the period in which they arise. The Company makes annual contribution to a Gratuity Fund administered by Trustees and separate schemes managed by Kotak Mahindra Old Mutual Life Insurance Limited and ICICI Prudential Life Insurance Company Limited. In respect of its subsidiary BIFPL, contribution to gratuity fund is made through Life Insurance Corporation of India group gratuity fund. In respect of the subsidiary MHIL gratuity liability is not funded. In respect of its foreign subsidiary AAF, future gratuity benefits are accounted for as liability based on actuarial valuation by Projected Unit Credit Method in accordance with LKAS 19. The Gratuity liability is not externally funded.

- c) **Accumulated compensated absences**
The company provides for liability of accumulated compensated absences for eligible employees on the basis of an independent actuarial valuation carried out at the end of the year, using the Projected Unit Credit Method. Actuarial gains and losses are recognised in the Statement of Profit and Loss for the period in which they occur.
- d) **Employee share based payments**
Stock options granted to the employees of the Company under the stock option scheme established are accounted as per the accounting treatment prescribed by the SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999/SEBI (Share Based Employee Benefits) Regulations, 2014 issued by Securities Exchange Board of India. The Company follows the intrinsic value method of accounting for the options and accordingly, the excess of market value of the stock options

as on the date of grant over the exercise price of the options, if any, is recognised as deferred employee compensation cost and is charged to the Statement of Profit and Loss on graded vesting basis over the vesting period of the options.

2.6 Tangible Assets (Property, Plant & Equipment)

Tangible assets are stated at historical cost less accumulated depreciation. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

In respect of the Company and its subsidiaries- MHIL and MIBPL, depreciation is charged based on a review by the respective management during the year and at the rates derived based on the useful lives of the assets as specified in Schedule II of the Companies Act, 2013 on Written Down Value method.

In respect of BIFPL depreciation is charged using Straight Line method over the estimated useful life of each asset as determined by the management. The useful life estimates specified in Schedule II of the Companies Act, 2013 are generally adhered to except in respect of asset classes where, based on technical evaluation, a different estimate of useful life is considered suitable as follows:

Asset Categories	Useful life	Residual Value
Furniture and Fixtures	10 years	2%
Vehicles	10 years	2%
Office Equipments	5 years	2%
Computers	3 years	5%

All fixed assets costing individually upto ₹5,000/- are fully depreciated by the Company and its subsidiary BIFPL incorporated in India in the year of its capitalisation.

In respect of its foreign subsidiary AAF, the estimated useful life is arrived at based on management's estimate of the period for which it intends to derive future economic benefits from the use of the asset.

NOTES ON ACCOUNTS

for the year ended March 31, 2018

The assets are depreciated on Straight Line Method on the estimated useful lives so arrived at, as under:

Asset Categories	Useful life
Building	8 years
Plant	8 years
Furniture and Fittings	6 years
Office Equipments	6 years
Motor Vehicles	4 years
Computer Hardware	6 years

2.7 Intangible Assets

Intangible Assets are amortised over their expected useful life. It is stated at cost, net of amortisation. The Company amortises Computer Software over a period of five years on straight line method. In respect of its subsidiary AAF, Computer Software is amortised over a period of eight years on straight line method. In respect of the subsidiary BIFPL computer software is amortised over a period of 3 years on Straight Line Method.

In respect of its subsidiary MHIL intangible assets are amortised over a period of 5 years at Written Down Value Method.

2.8 Foreign Exchange Transactions

Foreign currency transactions are recorded, on initial recognition, by applying to the foreign currency amount the exchange rate at the date of the transaction. Foreign currency monetary assets and liabilities are reported using the exchange rate as on the Balance Sheet date. Non-monetary items, which are carried in terms of historical cost denominated in foreign currency, are reported using the exchange rate at the date of the transaction. Exchange differences arising on the settlement of monetary items are recognised as income or as expenses in the period in which they arise.

2.9 Taxes on Income

Income Tax expenses comprises of current tax and deferred tax (asset or liability). Current tax is the amount of tax payable on the taxable income for the year determined in accordance with the relevant Income Tax statutes. Deferred tax is recognised, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets are recognised only to the extent that there is a reasonable certainty that sufficient

future income will be available except that deferred tax assets, in case there are unabsorbed depreciation or losses, are recognised if there is virtual certainty that sufficient future taxable income will be available to realise the same. Deferred tax assets are reviewed for the appropriateness of their respective carrying values at each reporting date. Deferred tax assets and deferred tax liabilities are offset wherever the Company has a legally enforceable right to set off current tax assets against current tax liabilities and where the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority.

2.10 Investments

In the case of the Company and its Indian subsidiaries, investments intended to be held for not more than one year are classified as current investments, all other investments are classified as non-current investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Non-Current investments are carried at cost. However, provision for diminution in value is made to recognise a decline, other than temporary, in the value of the Non-Current investments.

In respect of the foreign subsidiary, Financial Assets-Held for Trading, Investments in Repurchase agreements against treasury bills and bonds and Investments in Debentures and Fixed Deposits are considered as current investments. Financial Assets under available for sale category is treated under non-current investments. Financial assets held for trading are recorded in the Balance Sheet at fair value. Investments in Repurchase agreements against treasury bills and bonds and Investments in Debentures and Fixed Deposits are measured at amortised cost using Effective Interest Rate less provision for impairment. After initial measurement, available-for-sale financial investments are subsequently measured at fair value.

2.11 Impairment of Assets

The carrying amounts of assets are reviewed at each balance sheet date to ascertain impairment based on internal/external factors. An impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the higher of the net selling price of the assets or their value in use. After impairment, depreciation is provided on the revised carrying amount of the asset over its

remaining useful life. A previously recognised impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

2.12 Cash and Cash Equivalents

Cash and cash equivalents comprise of cash at bank, cash in hand and bank deposits having maturity of 3 months or less.

2.13 Provisions, Contingent Liabilities & Contingent Assets

Provisions are recognised only when the Group has present, legal, or constructive obligations as a result of past events, for which it is probable that an outflow of economic benefit will be required to settle the transaction and a reliable estimate can be made for the amount of the obligation.

Contingent liability is disclosed for (i) possible obligations which will be confirmed only by future events not wholly within the control of the Group or (ii) present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognised in the financial statements since this may result in the recognition of income that may never be realised.

2.14 Debenture Redemption Reserve

In terms of Section 71 of the Companies Act, 2013 read with Rule 18 (7) of Companies (Share Capital and Debentures) Rules 2014, the respective Companies in the group have created Debenture Redemption Reserve in respect of Secured Redeemable Non-Convertible Debentures and Unsecured Redeemable Non-Convertible Debentures issued through public issue as per SEBI (Issue and Listing of Debt Securities) Regulations, 2008. No Debenture Redemption Reserve is to be created for privately placed debentures of Non-Banking Finance Companies. Other subsidiary companies except BIFPL have no outstanding amount of debentures.

2.15 Provision for Standard Assets and Non-Performing Assets

Company makes provision for standard assets and non-performing assets as per Non-Banking Financial Company – Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016. Provision for standard assets in excess of the prudential norms, as estimated by the management, is categorised under Provision for Standard Assets, as General provisions and/or as Gold Price Fluctuation Risk provisions.

In respect of its Subsidiary AAF, financial assets carried at amortised cost such as lease, hire purchase and loans and advances are assessed for objective evidence of impairment as individually significant or collectively, if not individually significant, as on the date of Balance Sheet. If impairment loss has been incurred, the amount of loss is measured as the difference between the assets carrying amount and the present value of estimated future cash flows and is recognised as Provision for Impairment through Statement of Profit and Loss.

In respect of its Subsidiary, MHIL, provision has been made on standard as well as on non-performing housing loans as per the Prudential Norms prescribed by the National Housing Bank.

In respect of its subsidiary BIFPL, norms as prescribed by RBI for the classification and provisioning of assets have been followed.

2.16 Leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased assets, are classified as operating leases.

As Lessor:

Assets given on operating leases are included in fixed assets. Lease income is recognised in the Statement of Profit and Loss on a straight-line basis over the lease term. Costs, including depreciation are recognised as an expense in the Statement of Profit and Loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognised immediately in the Statement of Profit and Loss.

NOTES ON ACCOUNTS

for the year ended March 31, 2018

As lessee:

Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

2.17 Segment Reporting
